That link is not quite available. The ASPECT people are getting it set up and should be ready soon. There is a logistical problem that they assumed would be fixed before the final report was released, but the report was approved a little quicker than anticipated.

I will let you know as soon as they let me know.

Mr. Fife,

Regarding the reports

<http://dnr.louisiana.gov/assets/OC/Bayou.Corne.Draft.epa.pdf>, page 3 references photos. You are mentioned as a contact person on page 14. Can you tell me how to obtain copies of the photos with geo-reference coding?

Thank you,

Karen Bacon
